The School's Vision Statement

Our vision is to cultivate **excellence** and **enjoyment** in learning and teaching, within a **stimulating** and **caring** environment, where the **achievements** of all are **celebrated**.

Inclusive and Safe

Behaviour for Learning

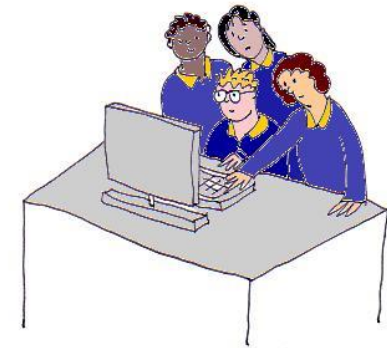

Broad and Interesting Curriculum

Enjoyment of Learning

High Standards

Partnership with Parents

Building Learning Powers

The Four Aspects of Pupils' Learning:

- **Resilience**- being **ready, willing and able** to learn from mistakes and persevere when learning is challenging
- **Resourcefulness**- being **ready, willing and able** to approach learning in different ways and use resources effectively
- **Reflectiveness**- being **ready, willing and able** to respond to feedback on learning and learn from mistakes
- **Respectfulness**- being **ready, willing and able** to work collaboratively and demonstrate empathy

As you can see, the radishes were very different in size and shape. This is because they were grown in different soils and at different times of the year. The radishes that were grown in the best soil and at the best time of the year will be the largest and the best.

When getting soil for the garden, be sure to get the best soil with a wide variety of nutrients. They are all important to get the most produce of your plants and all kinds of soil are not the same!

It is possible to have a lot of soil in your garden for the biggest garden. The school would like to thank the members of the 'Garden Suburb' for all their hard work, a hard working team, and for all the plants and soil they have given.

- Attendance and punctuality
- Online Safety

Transition

Merry-go-round on Tuesday 14th July

Children will be invited in groups of 15 to an a.m. or p.m slot to meet their new class teacher.

Differences

- They will be the youngest children in the school
- Upper and lower school playtimes
- No afternoon play
- Children will need to be more independent
- Structured lessons rather than free-flow

Admissions

- Forms - completed on ParentMail to Ms Chalfen by July 8th – yesterday!
- Contact details including emergency contacts
- Privacy notice and consent forms
- Attendance and requests for absence
- Your child cannot be admitted to the Junior School unless all of these forms have been completed.

Uniform

- School uniforms can be purchased at Uniform for Kids

1103-1105 Finchley Rd
London
NW11 0QB
Phone: 020 8209 0999

The First Day

We have a soft start and the doors open at 8.45am.

On the first and second day, Year 3 children will arrive at 9:30 and line up in the playground with their class teacher.

Look out for the class name on the chairs.

At pick up time, the children will gather at their dismissal point and will be dismissed once they can see their adult and informed their teacher.

How can you prepare your child for Year 3?

- Regular reading at home
- Times table revision
- Learning to tell the time
- Real life experiences i.e. using money
- Opportunities to be more independent i.e. packing their own bag, remembering their P.E. kit

Homework

- Homework is set once a week with a focus on Maths and English
- Year 3 homework is set on a Friday and due in the following Tuesday
- Reading Records are to be filled in at least three times a week and to be initialled by the parents
- Children complete Ancient Egypt projects in the Spring Term

Things to note...

- Children will not need to bring in their P.E. Kit. They will come to school on the days that they have P.E. in their kit and wear it all day.
- Please provide your child with a fruit or vegetable snack for morning break. We do not provide them with a snack in the Juniors.
- Children can bring their own stationery if they would like but it must be in a small, named pencil case.
