Recommend - Who would the book be suitable for? Age /Interests? Would you recommend this book? Why?

I would recommend this book to Harry Potter fans and to people that are willing to read a book in script form because it is for a new play. I think this book is mainly for 8+ because there is a scary part of the book.

My favorite part of the book was when they found out that Voldemort had a daughter because it was exciting to find out how they were going to defeat her. It was an amazing book.
