

Ofsted Report Quotes

- This is a happy school. Pupils appreciate leaders' ambition that everyone feels special, has hope and a reason to smile.
- All pupils achieve well.
- Pupils are enthusiastic about the subjects they learn and their lessons.

Welcome to Year 1

Key Stage One: **The National Curriculum**

- What is the National Curriculum?
- What does that mean for children in Year 1?
- High expectations and pace.

Please see Curriculum booklet.

Our approach to planning and teaching

- A thematic approach to teaching the essential skills.
- The importance of practical and experiential learning.
- Speaking & Listening
- Outdoor learning.

Funnybones

English (writing and grammar)

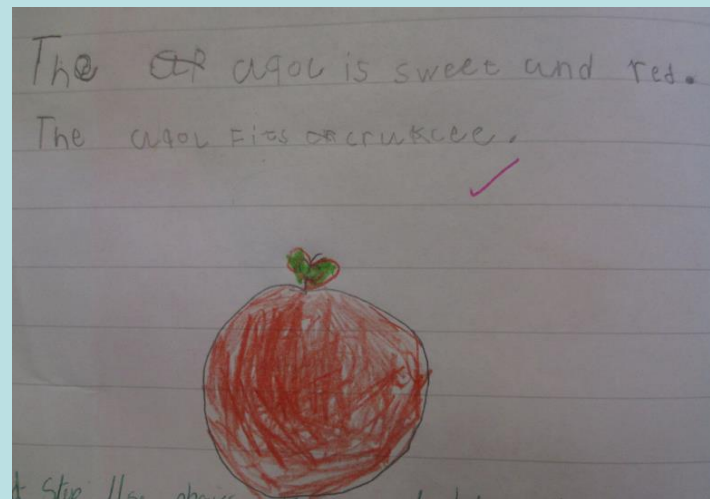

Quality text and engaging stories

First hand experience

Leads into great writing!

Story writing inspired by books

The monster at the big skeleton
and little skeleton
and dog skeleton

ther is going to Bee a
storm.

Children 'magpie' ideas from
the books they read

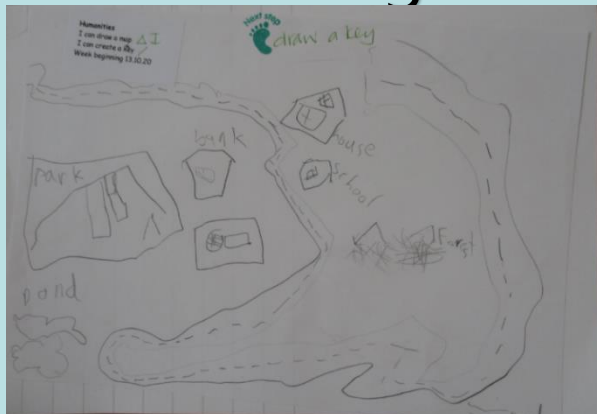

Big speeth and small
speeth and bog speeth
see on teh sea.
next the go to the
bee ch.
beach

Funnybones Geography

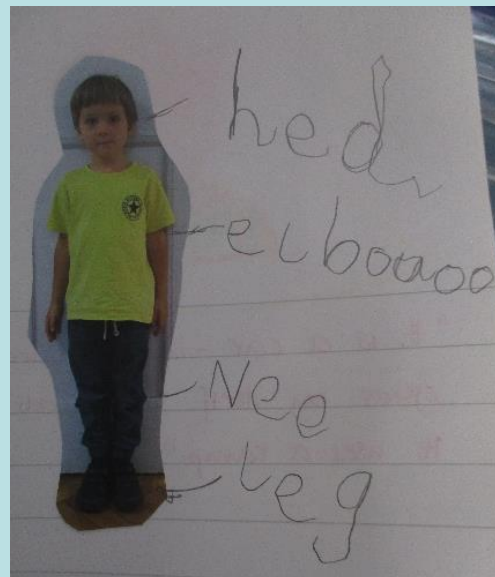

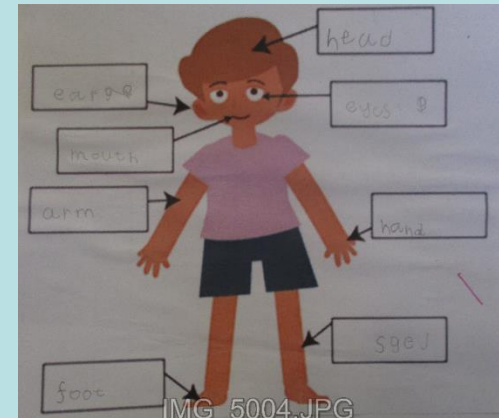

Learning about maps

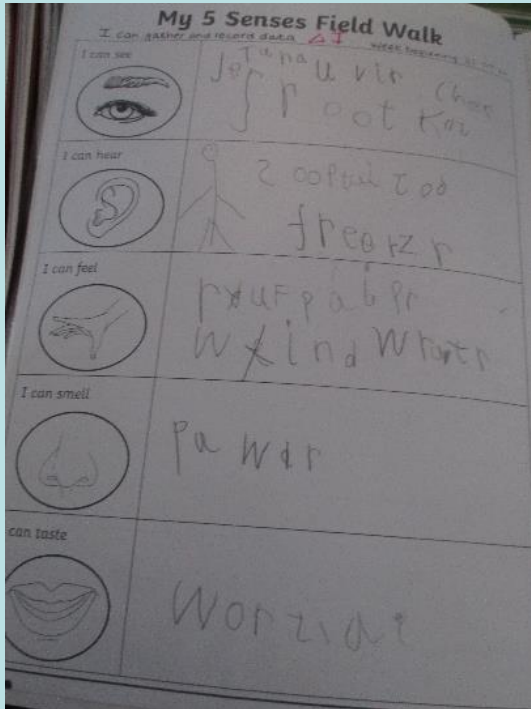

Funnybones Science

Label body parts together

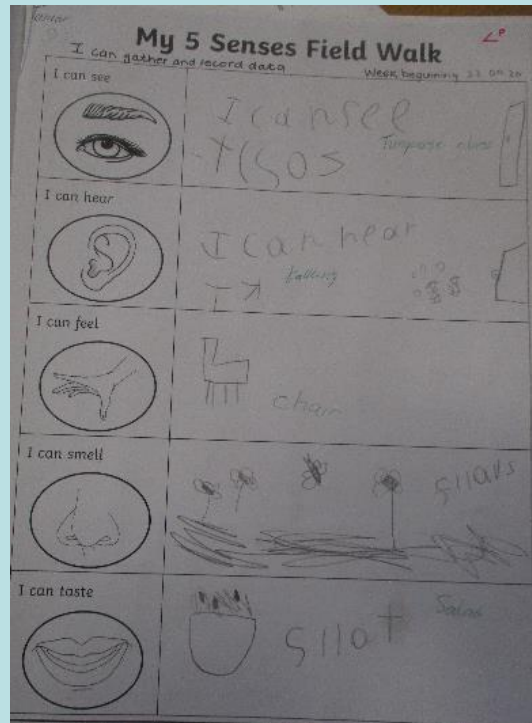

Labelling themselves

Learning about the 5 senses

Around school

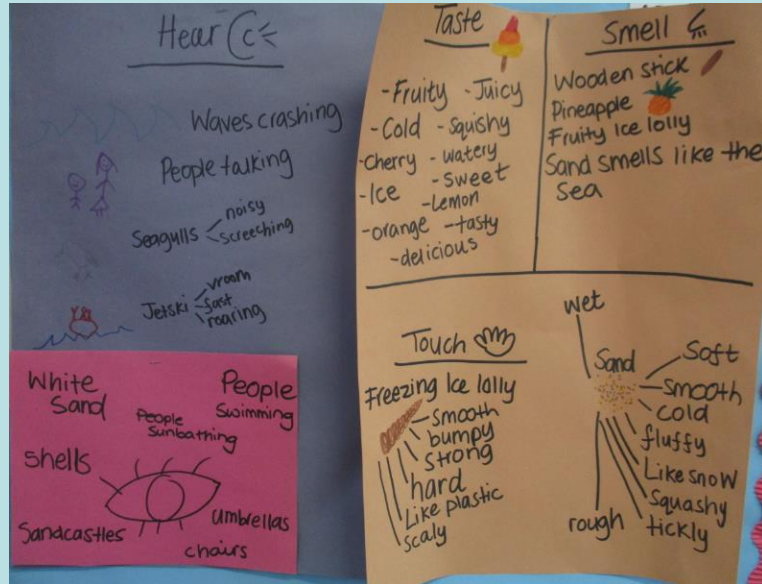

Fruits

At the seaside (using our 5 senses)

First hand experience

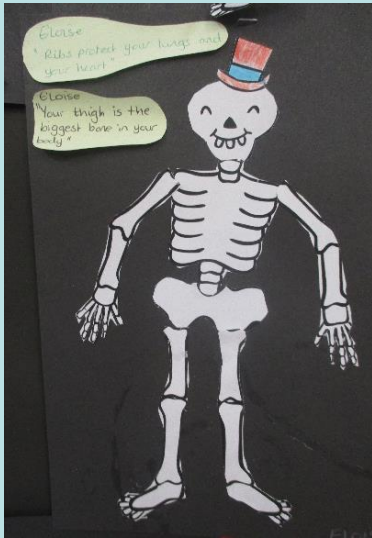

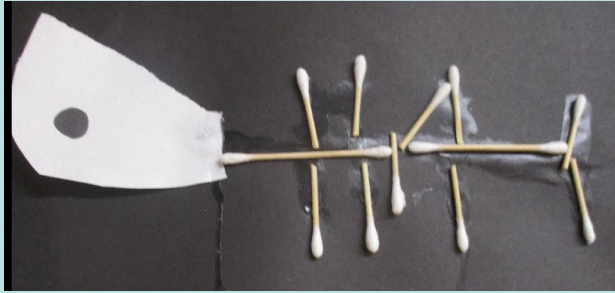

We ate ice lollies, listened to seaside sounds, squished sand between our fingers and looked at seaside pictures.

developing vocabulary

Examples of writing

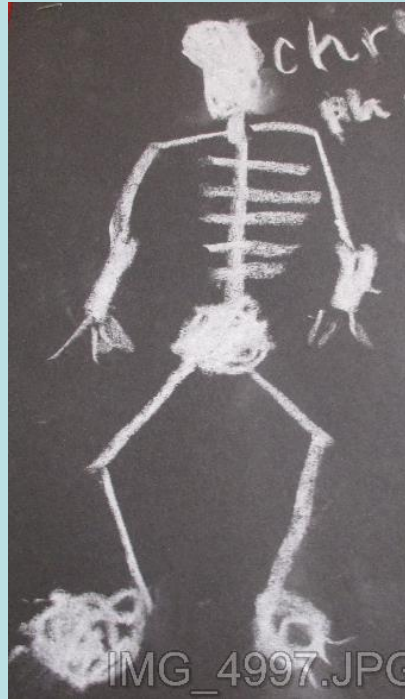

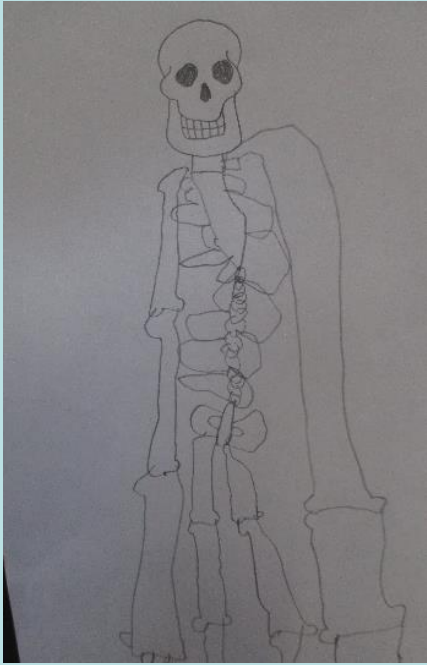

Making skeletons

INTEGRATED ACTIVITIES

Art, design and technology, fine motor development,
resilience and co-operation

Drawing skeletons

Making spooky spiders webs

INTEGRATED ACTIVITIES

Art, design and technology, fine motor development,
resilience and co-operation

Reading

- 2 books – ebook & sharing book
- ebook – 90% fluent
- Sharing book
- Enthusiasm/ praise

Phonic teaching and learning

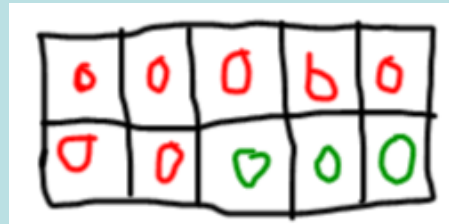

- Daily Little Wandle phonics sessions.
- Assessments every 6 weeks.
- Keep up & Catch up programmes
- Visit the websites –
<https://www.littlewandlelettersandsounds.org.uk>
- National Phonic Screen in June

Maths

- Stand alone lessons
- White Rose Hub
- Small steps
- Solid foundation of number
- PVA approach

PVA

- Make it
- Draw it
- Write it
- Explain it

$$7 + 3 = 10$$

First there were 7 sheep.
Then three more came.
Now there are 10.

Learning Behaviours

Children can't learn unless they have the correct behaviour and attitude to learning. In our school we concentrate on the following 5 learning behaviours.

- Independent Iris
- Inventive Ivy
- Co-operative Colin
- Resilient Rupert
- Reflective Rowan

Your child's week

Every week your child will have

- Daily phonic lesson.
- Twice weekly reading with either the teacher or a teaching assistant.
- Five mathematics lessons.
- Four Mastering Number sessions
- Daily sessions when they are taught specific literacy skills and then apply them.
- 2 PE lessons.

Progress and Attainment

- How is my child doing? How will I know?
- What happens if they are struggling?
- Annual Report
- National Phonic Screening
