

AUTUMN SAYS "HELLO"! (everybody sings)

Verse 1

Have you noticed there is something happening?
You see it ev'rywhere.
Leaves are turning golden brown and falling down -
The trees will soon be bare.

Pre-chorus

Nights are getting darker, and the days are short,
There's a chill in the air.
Strolling through the park with friends and family –
Memories to share.

Chorus

Summer days are saying, "Goodbye,"
Summer days are saying, "Goodbye,"
Summer days are saying, "Goodbye,"
Autumn says, "Hello!"

Verse 2

Have you noticed there is something happening?
You see it ev'rywhere.
Farmers in the fields are bringing in the crops,
Of apples, plums and pears.

Pre-chorus

Chorus

Say, "Goodbye."
Say, "Goodbye."
Say, "Goodbye."
The summer's gone but never fear,
It comes back every year,
But now's the time when autumn says, "Hello!"

WE ARE THE FARMERS- (Year 1 only)

Working all the day long,

Whatever the weather we get the job done.

2. We are the farmers, we're ploughing the ground,
Ploughing all the day long,
We are the farmers, we're ploughing the ground,
Whatever the weather we get the job done,
Whatever the weather we get the job done.

3. We are the farmers, we're sowing the seed,
Sowing all the day long,
We are the farmers, we're sowing the seed,
Whatever the weather we get the job done,
Whatever the weather we get the job done.

4. We are the farmers, we're spraying the fields,
Spraying all the day long,

I'M A CLEVER TRACTOR!- (Year 2 only)

CHORUS

I'm a clever tractor,
Let me share a fact or two about me,
Part of agriculture,
I'm really quite important you'll see.

1. From ploughing and planting I help on the farm,
At harvest there's plenty to do,
I may not be faster than ordinary cars,
But stronger and heavier too!

CHORUS

2. A friend to the farmer, we work as a team,
Together we get the job done,
I help to provide all the food that you eat
Along with the rain and the sun.

CHORUS

3. From towing a trailer or bailing the hay,
My tyres are bigger than most,
The engine is ready and chugging away,
I'm ready to carry the load!

CHORUS

I'm a clever tractor!

WHAT A JOURNEY!- (Year 1 only)

CHORUS

What a journey my food's been on
To end up on my plate,
From a tiny seed to this yummy meal,
So much has happened in between:

1. First the farmer plants the seed
And works each day to help it grow,
Now the harvest time has come,
Give thanks for all who grow my food.

CHORUS

2. Then the crops are picked and packed
And driven to the shops to sell,
Now the harvest time has come,
Give thanks for all who sell my food.

CHORUS

3. Now it's time to make it tasty,
Food is cooked for me each day,
For these many people I give thanks,
It's time to eat my food!

Harvest Samba- (Year 2 only)

<https://www.youtube.com/watch?v=UtbpkthPPBQ>

Cabbages and greens,
Broccoli and beans,
Cauliflower and roasted potatoes,
Taste so good to me!

Apricots and plums,
Ripened in the sun,
Oranges and yellow bananas,
Good for everyone!

It's another Harvest Festival
When we bring our fruit and vegetables,
Cause we want to share the best of all
The good things that we've been given.

It's another opportunity
To be grateful for the food we eat,
With a samba celebration to say
Thank you to God the Father.

Golden corn and wheat,
Oats and sugar beet,
Fluffy rice and tasty spaghetti,
Wonderful to eat!
Coffee, cocoa, tea,
Growing naturally,
Herbal plants and all kinds of spices
Very nice indeed!

(Chorus)
Thank you for the harvest
Thank you for your goodness
For all the fruit and vegetables
And the wonderful things that grow.
Repeat v1, v2, Chorus
